LOCAL YOUTH CHALLENGED TO SERVE

The Milford Lions Club is challenging young people to realize the rewards of service to their community. As adult volunteers, Lions know that community service leads to personal fulfillment and experience that is important to success. We also know that young people who volunteer become adults who serve. Our current initiative challenges young people to achieve significant levels of community involvement.

By meeting the challenge, local youth ages 12-18 will be eligible for the Lions Young Leaders in Service Awards. These awards recognize young people who provide 50 (Silver Seal Award) or 100 (Gold Seal Award) hours of community service between October, 2011 through April 27, 2012. Award applications are due April 27, 2012. Award recipients will receive a letter and certificate from Lions Clubs International during a presentation in June of 2012.

Local schools, clubs, and youth groups are asked to participate and assist the Milford Lions Club to recruit participants and coordinate the award application process. Young people who would like to participate should contact adult leaders of your school or youth groups, or Johanna Johnson, or Tricia Shea of the Milford Lions Club.

The Milford Lions Club is part of the world's largest service club association. Lions Club international has 1.4 million members in more than 44,500 clubs in approximately 185 countries and geographical areas. Lions are men and women who join together to serve community and humanitarian causes. Founded in 1917, the association's motto is "We Serve".
